Dear Global Parents:

I hope you all had an enjoyable Thanksgiving. I received word from Pat and Kathy Quade that the Global Semester group celebrated with a traditional Thanksgiving meal in Hong Kong.

Mark Sheldon of Chinese University of Hong Kong also wrote to say that he has been receiving a number of phone calls from parents and friends of the Global students. Please, if you need to contact your son or daughter, use this number **011-852-603-6411** and ask for the student by name (or room number if available). This is the number at the Guesthouse where the students are staying. The best time to call is early morning or late evening their time, catching the students as they get up or before bed.

For prompt delivery of mail, please use the following address:

Sincerely,

Karen Jenkins
